

## **Toller Porcorum Village Hall**

### **Covid-19 Advice to Hall Hirers and Event Organisers**

**July 2021**

Step 4 of the Government's roadmap out of lockdown states that all legal limits on social contact have been removed and dancing and singing are permitted.

However Hirers and Event organisers are asked to consider the following advice in addition to the usual Hall Hire conditions:

- Respect and be considerate to those who are more vulnerable and who may wish to take a more cautious approach, eg. consider use of face coverings and continue to follow social distancing advice.
- Good ventilation is the best means of reducing risk of transmission.
- Use the hand sanitiser provided.
- Clean all furniture and equipment after use and return to the store room or kitchen afterwards.
- Continue to use the QR code or organiser to take name and contact details of participants.
- Check Gov.Uk website for any specific guidance on different types of event or activity.

These terms shall form part of the hire conditions set out in the Booking Terms which can be found at [www.tollervillagehall.co.uk](http://www.tollervillagehall.co.uk).
